

This is the front of the building; it's directly opposite the Bohem hotel.

This is the front door of the building. To open it enter the code on the keypad to the right of the door.

The elevator is through the doors at the top of the first flight of steps. Take it to the 2nd floor.

When you exit the elevator on the 2nd floor, walk straight ahead through the double doors and the apartment door will be on your left.

To the left of the apartment door you will find a lock box containing the apartment key.

Pull the cover of the lock box down to reveal the combination wheels

Turn the combination wheels to read 2008 and then pull down the lever to the left

The front panel of the lock box will move forward and can be pulled down to open.

After retrieving the keys please close the box, move the combination wheels and close the cover.
